

Questions and Answers

FY2027 Justice Assistance Grant (JAG) Multi-Jurisdictional Drug Task Forces (MJDTF)

Responses to questions will be posted to this document within 7 calendar days of receipt.

The deadline for receipt of written questions is **June 19, 2026 at 5:00 p.m.**

Please submit your questions to mbcc@mt.gov.

Q1: Is the Supplemental Application Narrative Report required this year?

A1: No, the report is no longer required.

Q2: In the performance goals section, what all information needs to be included in a milestone goal as well as setting the end date for it? Would the date be the end of the grant year?

A2: The milestone date can be at any interval you choose. If it is the end of the grant year, progress on the milestone will still be completed quarterly in Euna. Information included in your Goal should be specific, measurable, achievable, realistic and timebound. Ensure each goal contains a description and a minimum of one activity and that tracking mechanisms and deadlines are included.

Q3: I am trying to download my application to send for review. I keep getting error messages. Any idea why this is and how to get it fixed?

A3: When logged into your application, you can download the application using the following process: 1) Open the opportunity. 2)Click Submit. 3)Click Review. 4)After clicking Review, a download pop-up should open. If this process does not work, contact the Euna Grants support team at support@amplifund.zendesk.com or 216-377-5500, press 2.
