**Q1:** Our agency is interested in this funding opportunity. However, due to a prior commitment I am unable to attend the Offeror's Call via Zoom on May 4<sup>th</sup>. Is this event going to be recorded and if so where can I find the recording at a later date?

**A1:** MBCC will not be recording the Offeror's Call or the AmpliFund Support Calls. Please refer to the Questions and Answers for the 2022 COAP funding opportunity found both on the MBCC website, also available in AmpliFund as you complete your application. MBCC recommends applicants attend at least one of the AmpliFund Support Calls on May 11<sup>th</sup> and May 18<sup>th</sup> at 11:00 a.m. Also, please refer to the AmpliFund Resource Page on the MBCC website for valuable AmpliFund information at: <https://mbcc.mt.gov/Funding/Training-Technical-Assistance/Amplifund>.
